A Note from the Principal

May 25, 2018

Dear Parents and Students,

The month of May is going by fast! Students have been busy with Science/Art Fair, Star Lab, First Communion, Confirmation, field trips, buddies, Families, The Spring Dance, Spring Pictures, Mass, Adoration, convocations, projects, and many other things! Even so, I have seen lots of work going on in the classrooms. Science experiments are being done. Papers are being written. Math problems are being solved. Our students work hard, pray hard, and play hard!

Have a great summer! Please keep us in your prayers! Mrs. Johnson:)

God bless,

Mrs. Johnson

- We are looking for a few “seasoned” families to help with a new mentoring program we are putting together for incoming families next school year. Are you willing to “show them the ropes?” Contact Nicole Korner at nkorner2011@aol.com
- We hear it all the time, “I am tired of selling again!” Each year we make a good amount of money on Box Tops and other labels. This is easy money for our school. Consider asking others to collect for you as well. Our money raised this year is down. We collect Box Tops, Tyson labels, Aunt Millie labels and Coke rewards. Don’t forget to sign up for Kroger rewards also and have your donations go to St. Michael School.

CONGRATULATIONS SENIORS AND 8TH GRADERS!

The 1st Annual FCHS Senior Walk took place at St. Michael School on May 21st. Current graduating seniors that graduated from SMS (Class of 2014) visited SMS wearing their caps and gowns. The seniors were greeted with a brief slide show from their 8th grade year showing their baby picture and their 8th grade picture. The seniors then walked the hallways which were lined with all the current students cheering, clapping, and holding posters and signs.
