Parents:

Your children may be eligible for a college scholarship, but you must apply by June 30th of the student's 8th grade year! Indiana's 21st Century Scholars Program offers income-eligible Hoosier students up to four years of paid tuition at an eligible Indiana college or university after they graduate from high school, dependent upon financial need. In middle and high school, Scholars are connected to programs and resources to help them stay on track for college and career success. Once in college, Scholars receive support to complete their college degrees and connect to career opportunities. Apply online at [Scholars.IN.gov](http://Scholars.IN.gov)

**Have a great summer!**

School resumes Wednesday, August 9!
